Dear Cousin:

I was pleased to get your letter of March 23rd.

As you know, we are writing a supplement to *The Merwin Family in North America* and, as part of that effort, we are rewriting the 10th generation chapter. In order to rewrite your family entry, I need answers to these questions:

1) If your parents are living, please give me their address; if not, please give me the date of death and place (town)
2) What was/is your father's middle name? M____
3) " " your husband's " "? F____ T____
4) What was your husband's date + place (city + state) of birth?
5) Did your husband die in Frederiksted?
6) What was your husband's father's name?
7) What was the full maiden name of James' mother?

To answer your question as to why details are not shown in MFNA about you and your brothers and sister, let me say this. The book was written to include the first ten generations from Miles! Children (11th gen.) were shown only by name and date of birth. Now that we are writing the Supplement, we are including the details (marriage + children) about the 11th generation persons. Now, because you are interested enough to be a member of our association, full details will be added about you even

though you are descended from a female Merwin. If you have read MFNA, you know we are recording only the male lines of descent. The only exception to this is that members are entitled to be included. Your brothers and sister are not members. Accordingly, their data may not be carried on.

Best regards,
Merwyn

Someday I trust I can attend ~~anoth~~
Merwin meeting - I was in Milford
I think at the 1978 meeting - I
had been in England and
returned just about a week
before the meeting was to be held
and so waited over for it -
I will be moving from St. Au
later this year and by October
expect to be residing at -
245 West Lake Faith Drive

Sorry this letter is so messy - but,
I have been sick all week and
still do not feel well - and
make many errors in writing.
Thanks for your interest -
Yours Sincerely

Dear Cousin:

Back in 1982 when I was working on the manuscript of Vol. II of The Merwin Family in North America, I wrote you asking for information about your family, but I received no reply. I do not know the reason you did not reply at that time, but, since you are a member of our Association, you have a right to have your family entry in Volume II which we are now preparing.

Accordingly, I am enclosing two Merwin family record sheets. I have filled them out with the information I now have. If you wish, you may complete them and return them. I shall not bother you again. If I do not hear from you by December 15th, I shall assume you are not interested.

Best regards,

Merwyn R. Buchanan

Dear Cousin:

Thank you for your Uncle Robert's and grandmother's addresses.

Will you please complete the draft of your family entry (enclosed)? If either of your parents are deceased, please give me the date and place of death.

I assume your uncles Robert and Thomas do not have children. Correct? What is Thomas' address?

Your help is much appreciated.

Mr. Thomas B. Benedict

Dear Cousin:

I am sorry to hear that your mother is not well.

On your dues notice, you mentioned that your daughter Patricia married Timothy E. Kapper on 15 Jun 1985, and your daughter Ruth M. Benedict married Paul H. Fox on 29 May 1989.

I have reviewed your file and find that I have never been told that you had any children. If you look at page 232 of Volume II, MFNA, you will see all I know about your family. It consists of your name and date of birth PERIOD. The lack of information is not due to a lack of trying on my part. When I was working on Vol. II, I repeatedly wrote asking for information to no avail.

Now that I am working on Vol. III, I wrote you on 20 August 1988 and again on 1 March 1989. I got no reply.

I will be pleased to put a notice in Milestones about Ruth's wedding if you give me this information about the groom:

1) His full name including middle name
2) His date of birth and place of birth
3) The full name of his father
4) The full name of his mother including her maiden name
5) The place of their marriage - city and state

Enclosed are two Merwin Family Record sheets. Will you please fill this out for yourself and wife showing all your children? And fill out a sheet on a married child who has children.

I hope you will give me information so that you and yours will be part of Volume III. Incidentally, to have information about their family in Vol. III, your children must be members of the Association.

Best regards,

Merwyn R. Buchanan

Dear Cousin:

It has been many weeks since we wrote you asking for an update on your family record and you have not replied.

We do want to include your family in Volume III of *The Merwin Family in North America*, but we can not do so unless you reply. If there is no change in your entry, please tell me so. It will only take a moment for you to reply.

Dear Cousin:

As you may know, we are in the process of updating family entries with the view to preparing Volume III of The Merwin Family in North America.

All members of the Association of the eleventh generation will have an opportunity to update their family entry and have the update included in Volume III. This includes the names and birth dates of your children. If, however, your children wish to have their wife and children in Volume III, they must become members of the Association. Will you please check with each of your children and, if they are interested in having their families in Volume III, ask them to send me a check for $10 payable to Miles Merwin Assn. for annual dues. I shall then contact them for information.

Please look at you entry in Volume II to see if any change is required. If so, write me and I shall include the change in Volume III.

Best regards,

Merwyn R. Buchanan

Dear Mr Buchanan

Your letter came while I was away, and only today did I realize you wanted info! by Sept 30. What I am enclosing is very brief and you can use it if you wish or not - I really do not mind. There is not much I can give in reference to schooling or occupation - both my brothers are retired -

As you may know, we are preparing a supplement to the Merwin Family in North America.

Enclosed are family record sheets on your family and, where applicable, sheets for each of your married children. We would ask you to review these sheets for accuracy and give us any needed correction or addition.

We especially need your married childrens' complete address so that we may write and ask them to become members of our association. This is necessary to include the family of any person not born with the Merwin surname.

Your assistance is much appreciated.

Sincerely,

Dear Mervyn,

Enclosed find our check for #2.00 for our dues. Please include us in the supplement. I am very sorry that Ted did not get to this before now.

I am Mona Jean Anderson Shultz, the eldest daughter of Donald H. and Aleen R. Anderson of Phoenix, Arizona. I was born on June 8, 1935 in Billings, Montana. During my growing up years we moved a great deal as my father was a Naval officer. After the Second World War we settled in Phoenix Arizona. I graduated from high school in 1952 and from the University of Arizona with a BS in Business Administration in 1956. Ted and I met in San Diego Ca. in the Fall of 1957 and were married December 21, 1957. I have been a Mother and a housewife ever since.

Ted was born in San Pedro, Ca. on Nov. 27, 1931. He is the youngest son of R. adm. John H. Shultz and Martha Merwin Shultz. He also spent his growing up years traveling as his father was also a Naval officer. He graduated from Woodrow Wilson high school in Washington, D.C. in 1950 and the U.S. Naval Academy in 1956. His naval career was spent on various surface ships, mainly destroyers. We were stationed in Japan during the Vietnam War. Ted commanded, after putting her into commission, the U.S.S. Barbey DE 1088. He retired from the Navy with the rank of Captain on Nov. 1, 1979. He subsequently worked as a Consultant with Delex Systems, Inc. and is now working for G.S.A., Inc. as a Professional recruiter in Career placement, here in Northern Virginia.

I am sure Ted has given you the information on our four children.

Please excuse our tardiness.

Sincerely,
Mona Shultz

Dear Cousin:

As you may know, we are preparing a supplement to the Merwin Family in North America.

Enclosed are family record sheets on your family and, where applicable, sheets for each of your married children. We would ask you to review these sheets for accuracy and give us any needed correction or addition.

We especially need your married childrens' complete address so that we may write and ask them to become members of our association. This is necessary to include the family of any person not born with the Merwin surname.

Your assistance is much appreciated.

Sincerely,

Merwyn

Dear Edith:

Have been reviewing my files for missing bits of information. Enclosed is the draft of your entry. The item I need, as you can see, is the place (city + state) where you and Mr. McHenry were married.

Since your son is not interested in having his family in the Supplement, perhaps Lynne Turchi, since she has a child would be. If she is interested, send me her address and I'll send her the necessary form.

Best regards,
Merwyn

Dear Cousin:-

Sorry it has taken so long to answer your letter of Oct. 16, but my son was away so I was unable to ask him about joining the Association I spoke to him yesterday; he doesn't seem interested, for now anyway.

He has two daughters, Lynne Ann Turchi and

Dear Cousin:

On August 15th, I wrote your son and sent him forms to be filled out by his daughters if they are married and wish to be included in the supplement. I also asked him to join our association so I may include his wife and children in the supplement. Perhaps you can encourage him to reply.

I also need from you a short biography of you and your husband. Whatever you wish to say.

Best regards,

Dear Cousin:

We are writing a supplement to the *Merwin Family in North America*. Enclosed is the draft of your family entry for your approval.

Your entry in MFNA states that you had one son and *perhaps* 2 daughters. Do you have other children? If so, I'd like their names and addresses so I can write and get data to include them in the supplement.

Best regards,

Merwyn

Dear Cousin -

Thought it easier to answer this way

Dear Mr. Thompson:

Thank you for completing the family record sheet on your family.

I'm enclosing blank sheets just in case any of your children are married. If any one of them is, please fill out a sheet for her family.

One other point; in order to include persons who were not born with the surname Merwin in the book, that person must be a member of the association. If you join, I can include your family. The dues are but $2.00 per year.

Hope you'll join us.

Best regards,

Merwyn

Dear Edith:

Have been reviewing my files for missing bits of information. Enclosed is the draft of your entry. The item I need, as you can see, is the place (city + state) where you and Mr. McHenry were married.

Since your son is not interested in having his family in the Supplement, perhaps Lynne Turchi, since she has a child would be. If she is interested, send me her address and I'll send her the necessary form.

Best regards,

Merwyn

Dear Cousin:-

Thank you for writting. I was just thinking about writting about the Miles Merwin Assn. to join.

Inclosed you will find my check for $2.00 membership.

I was born in East Liverpool, Ohio on July 3, 1947. I grew up in East Liverpool and went to school from grade 1 thru 12 in the Beaver Local School System. I graduated from Beaver Local High School in June, 1965, and started two weeks after graduation working for Commercial Decal, Inc., Specialty Division, East Liverpool office. They make ceramic decals for potteries + hobbyists. I worked there under a man named Hans Hacker. He taught me all I know about printing ceramic + glass decals. The jobs that I had during the eight + a half (8½) years I was there were - catalog typist, screen maker, layouts, photography, hand printing, semi-automatic printing, selection of decal, packing decal, + sampling new patterns + colors. I left there + went to work a Homer Laughlin China Co. as a designer. There I designed patterns for dinnerware + hotel ware. I worked there for a little over a year + left to get married + moved to Pittsburgh. I worked for a company that made traffic signs for a year. Returned to East Liverpool and two years later I got divorced, + took my maiden name back, which I am very proud of; - we had no children. In February, 1976 I started working for Taylor, Smith + Taylor Pottery in Chester, W. Va. which Anchor Hocking Glass bought in 1972. We are now Anchor Hocking, Ceramic Products Division. We manufacture dinnerware, + sell to Zayre, Penneys, + etc. I have been in the silk screen printing for 15 yrs. I feel like a veteran. →

Our General Mgr., Phil Sawyer, hired me to head up a decal printing dept. My title is Co-ordinator of Screen Processing + Design. Last year I got to design a set of 12 Days of Christmas plates, 12 plates in a set. On the back of the plates is each verse for each day, + also has my name on the back. We sold it to J.C. Penney Co. last year. And, this year it is selling like crazy! This year I designed a strawberry for dinnerware to Zayre, but I was told it will be in our open stock next year instead!

In the fall of 1979, I started attending Kent State University, East Liverpool Campus. I plan to get a B.S. in Graphic Arts. So far I have a 3.25 average.

As far as interests, I paint portraits in oil, water ski, roller skate, ride a bicycle, + photography.

I have two black cats, a female, Zuzu, + a male, Daur. The female is 6 yrs old, + the male is 5½ yrs. old. They are great company. Sometimes I think they know what you're saying.

I live by myself + like my life as it is right now + feel very content. My younger brother Bill comes to visit once in a while. We are close + have similar interests. I always look forward to seeing him when he comes home!

I have felt fortunate in my job opportunities. It seems I've been at the right place at the right time! I guess I'm sort of following in my father's footsteps, so to speaks. At least that's what my Gen. Mgr. tells me.

Whether the Association knows it or not my father Barney Mermin is one of the top Ceramic Engineers in the country! →

I'm very proud of him! He's quite a guy! I've had so many salesman + people from other otteries tell me how terrific a person he is, + e really knows his job.

He won an award a few years ago on lead elease in dinnerware. How, how proud can a daughter e of her father when one hears about something s wonderful as that? All I can say is, - the Merwins must come from good stock!

Well, I hate to bore you with anymore ragging about my father; - but I think he's ne heck of a person!

Thank you again for writting! I'll be looking forward to hearing from you!

Sincerely,
Sally Merwin

Dear Cousin:

Your father gave me your address and some information about you for the supplement we are writing to the Merwin Family in North America.

I would like to include a brief biography of you - schools, occupation, interests, etc. Whatever you would care to give me.

Also, we would ask you to become a member of our association. People of your generation must take an interest in the organization or it will not continue to grow and serve Merwins. The price is right. Only $2.00 per year. Please send me a check payable to the Miles Merwin Assn.

Dear Charles:

As you can imagine, I have been involved in rather heavy correspondence since July. I have received your letter of September 1980 and Margaret Patch has forwarded to me your Toledo Ohio Members + Associated Families of MFNA. (3 vols.) Your work is quite impressive.

So far I have reviewed Section M – the Merwin line against MFNA. Enclosed is a draft of your daughter's entry. The only essential thing missing, as I see it, is Melvin's middle name. Will you please give me that?

You say in your note to me that you want to expand on your father's biography. By all means, give me whatever you wish to add.

Please don't wait until we are ready to go to press on the supplement to furnish infor. I can't get the job done that way. I'm trying to finish each family entry now as though it had to be finished in three months. I'll give everyone an opportunity to update before publishing.

Best regards,

Merwyn

Page 867 is correct as it stands ... "two children b. there" ... After having moved several times prior to 1973, when they moved into their new home on Mohler Road, where they are living at present and intend to stay for some time to come.

The Hites family, Carol and Jay, Kim and Scott, have added a large family room, including a Franklin wood-burning stove ... The lot size is one acre, divided into several small fruit orchards, two grape arbors and a large vegetable garden that provides enough produce to store in their deep-freezer for winter consumption.

Kim is a high school senior and Scott a freshman.

In regard to my father: I would like to expand on his biographical comment, covering the overall preparation toward his career as a professional in his trade as applied to brush and varnish finishing using a slow kiln-drying process.

Note: The above is informative only - not necessarily to be used verbatim

Dear Cousin:

We need your help in preparing the supplement to the Merwin Family in North America.

Enclosed is a copy of your family's entry in MFNA. Is there any change you feel should be made? Particularly in the personal history section up-dating may be necessary.

If you have children over eighteen years of age, you will find enclosed a Merwin Family Record blank. If your child is married, please complete the family record for him or her and return it to me.

Your help is much appreciated.

Sincerely,

Merwyn

Dear Cousin:

In the interest of expedience, by setting-up priorities, I am enclosing page (I) of the typed copies of Alma (Merwin) Joys genealogy that covers the five(5) Baldwin generations listed at the top of the page. Also, I am enclosing Merle C. Merwin's letter of May 30, 1974, advising me to include the parents of each spouse (I had been covering the male line only).

Since this correspondence is on a preliminary basis, enclosed are three Quick-print copies of page (I) and one copy of Merle C. Merwin's answer to my letter of May 30, 1974. I can get Quick-print copies at the adjacent shopping center; Xerox copies later when I am able to travel (my left ankle is sprained, but getting better).

I trust that the information contained in Alma Joys genealogy resolves the mystery of the three wives of Miles^{1} Merwin.

According to Margaret Patch: the Baldwin connection was never resolved by the Connecticut Historical Society genealogists

P. S. September 1980
Dear Cousins:

Please be advised of the following in regard to the Supplement to The Merwin Family In North America.

Margaret Patch:
The enclosed copy of Merwyn Buchanan's recent contact to implement the subject genealogy of TMFINA, Vol. 2, is appreciated. Since the scope of Vol. 2 will vary widely, and to cover all details may take 3 to 5 years, I will hold-up Merwyn's correction form as it relates to my teenage grandchildren and my father.

Merwyn Buchanan:
I am prepared to give you the corrections, adjustments, updated material and new data effective currently. Since my membership became effective March 31, 1965, when Margaret Patch had her Genealogical Headquarters at 215 East 68th Street, New York 21, N.Y., . . . it seemed only natural that I would relate to her in my initial correspondence of September 1980. Therfore, she is at liberty to release the pertinent data at her convenience.

Thanks to both of you,
(and, as Gaius Merwin, Jr., might add)
Genealogically yours,
Charles Merwin

Dear Cousin:

The Toledo Merwin Genealogy is the continuation of one set up by Alma Maria, sister of Gary Perry Merwin. In 1915 my older sister, Helene May Merwin, visited her great aunt, Alma (Merwin) Joys and her husband, Andrew M. Joys, in Milwaukee, Wisconsin. During Helene's visit Alma gave her a copy of a genealogy which Alma had developed with the help of a professional genealogist at the Connecticut Historical Society.

Using a copy of Alma's rather comprehensive genealogy I have condensed the data to cover the required statistics on two pages as follows:
(1) Miles Merwin (1623-1697) through Gary Perry Merwin
(2) Julius Button Merwin through Kimberly & Scott Hites
(copies enclosed)
Miles' wives listed by Alma: first wife, Isabella Jaynes of England; second wife Elizabeth Baldwin, daughter of Richard & Elizabeth (Alsop) Baldwin; third wife, Sarah (Platt) Beach, widow of Thomas Beach. I selected Elizabeth Baldwin.

My sister, Mrs. Clarence (Helene Merwin) Hering and nephew, Glen Merwin Jenssen also are 'Association' members; Helene will be 84 years of age in January 1977 and age-wise is closer to her Merwin first cousins, Julius Herrick (Erie Pa), Annis Brewer (formerly of Mentor Ohio) and Bruce Merwin (Lakeland Florida), who are all members of the 'Association' . . . My sister lives with a companion, Ruth Catchpole, a retired schoolteacher, so she should be able to handle the biographical portion of this latest questionnaire. She received a questionnaire in 1969 from Mr. J. Crawford Hartman. She replied completely to the questions as appllicable to her Hering family; I have a copy and everything should be in order and up to date.

Mr. Hartman also requested information regarding her sister, Marie Emma Merwin, whose first marriage was to Glen Allan Jenssen and later to Albert John Loetz. Since my retirement and without her knowledge, I have brought this portion of her reply up to date with additional data and deleting redundant information. In 1969, I beleive Helene was pressed for time and did a good job under the circumstances; my sister, Marie died in 1969.

With your permission and with the approval of Mr. Hartman, if necessary, the following statistics should apply:

Biographical comment - to be edited as you wish

My father, Julius B. Merwin, was born at Swanville (Erie County) Pennsylvania. In 1879, he went to Kansas (near Humbolt) with his older brother, Charles Edwin Merwin where they tried farming. C.E.M. discovered that he was not educated enough to become a successful farmer so he turned to education. . . He finally attained his goal when he settled at Lawrence, Kansas where three of his children, Raymond Edwin, Ivah Eloise and Bruce Welch Merwin attended the University of Kansas.

Meanwhile, Julius B. Merwin returned to Ohio, where he decided to learn the trade of carriage painting. He was in Columbus, Ohio in 1893 when he married Louisa May Press. In 1897 the family, including daughters, Helene May and Marie Emma Merwin, moved to Miamisburg (Montgomery County) Ohio where J.B.M. continued his trade in carriage painting until 1913. Around the end of March and early April of 1913 there occurred what was termed at that time as the 'Great Ohio Flood' because of the vast amount of property damage.

This time period was the beginning of the end of an era of horse-drawn carriages. In the fall of 1913 the family, including son, Charles W. Merwin, moved to Toledo, Ohio, where my father began his employment at the Willys Overland Company, manufacturers of automobiles.

In Toledo I attended elementary and high schools and Toledo University, where I majored in what was termed as pre-engineering, which was limited to college mathamatics, chemistry, etc, with the intention of going to Ohio State or Michigan Universities, but I never made it. . . I had studied at the Toledo Conservatory of Music and in 1926 I joined an orchestra and stayed in the music field until I was placed in a U. S. Medical Corps Band and Orchestra in 1942, shortly after I was married to Ruth Louise (Light) Behm, August 12, 1942.

When I returned to civilian life in April 1943, I began working at the Willys Overland Company when they were manufacturing the WWII 'Jeeps'. After the war I stayed with the company and later with Willys Motors and Kaiser Jeep Corporation. . . During those years I applied my musical knowledge by playing intermittently with theater, symphony, concert and dance orchestras and bands.

After 26 years, 8 months with the Product Engineering Staff of the Companies I was given a mandatory retirement on my birth month, November 1969, age 65 years.

(concluded on page 3)

At this point in time (will be 73 this November), I keep busy with Senior Citizens activities and other daily routines. The Product Engineering Staff, now under American Motors Jeep, welcome my visits mostly for reproduction on their Xerox machines. I enjoy working on the genealogies; mine is nearing completion but patience is necessary with my neices and nephews because their concentration is on their individual family responsibilities. I am including pictures and biographical comment and humor where applicable.

I am not very impressed by scholastic degrees, per se.I do not have one but I do have a gold medal which was presented to me by the Board of Education for my work in the Toledo High Schools (which included all bands and orchestras) in the music department in 1924. In military service in 1943 within three months I became sergeant, T4 grade, not because of my ability as a soldier but because I was a professional musician.

My daughter Carol and family live on an acre lot in the suburbs near Toledo; they have started an orchard and grape arbor and have a large vegetable garden and have no school closing problems, which is not the case in Toledo. . . My wife, Ruth (turned 70 in September) and I keep active. Last year on 24 October 1976 she served as proxy for her cousin, daughter of Gilson D. Light and living in Hot Springs, Arkansas, in the dedication of the Major General Gilson D. Light Armory. He was in WWI in Europe and received about all of the Awards and Decorations available at that time.

Any information on page (3) is off the record - so, with that thought in mind I will close.

Sincerely,

Charles W. Merwin

CWMerwin

MAJOR GENERAL GILSON D. LIGHT
22 February 1883 - 26 February 1941

Spanning four decades of loyal and devoted service, General Light's military career reflects great credit on the National Guard, the State of Ohio and the Armed Forces of the United States. He served with distinction through the era of the "Great War", the tumultous emergence of the labor unions during the 1930's and the mobilization of the Ohio National Guard for WW II.

General Light entered the Ohio National Guard as a private in Battery D, Ohio Field Artillery in 1899. Serving in various enlisted grades until 1905, he was then commissioned as 2nd Lieutenant. By 1911, he was promoted to rank of Captain and was placed in command of Battery B, Ohio Field Artillery.

In the intervening years prior to WW I, General Light held assignments as Aid-de-Camp to Governor Harmon, Inspector General of the 1st Ohio Brigade, Recruiting Officer on Federal Duty and had risen to rank of Major.

At the outbreak of WW I he rejoined the 1st Ohio Brigade, obtained Federal Recognition as Major and sailed for overseas service with the 37th Division on June 22, 1918. He was promoted to Lieutenant Colonel while on overseas service and assigned to the 147th infantry; later being detailed as Adjutant General of the 37th Division. While in Europe, he participated in French and Belgian Campaigns including: Baccarat, Avocourt, Pannes, Meuse-Argonne and Ypres-Lys.

After WW I, General Light assisted in the reorganization of the Ohio Guard and gained promotion to Colonel in command of the 148th Infantry. He served with the 147th and Headquarters 37th Division through November 1935 when he was placed in command of the 62nd Field Artillery Brigade and promoted to Brigadier General.

General Light accepted appointment to Major General on December 22, 1936 and assigned to the 37th Infantry Division as commander. On 18 July 1939 he was appointed as the Adjutant General of Ohio and served in this position until his retirement on 1 October 1940.

Most notable during the period 1937 through 1939 was the awesome responsibility placed upon General Light as observer for the Governor and Commander of Ohio Troops to restore domestic tranquility in the wake of wide spread labor disorders. The testimony to General Light's fidelity is indelibly written in the history of Ohio.

The Major General Gilson D. Light Armory was designed to house the Headquarters and Headquarters Company 50th Military Police Group, Headquarters and Headquarters 612th Engineer Battalion, Co A 612th Engineer Battalion and the 192nd Engineer Company.

The Armory, situated on a 15 acre tract, provides: Administrative Offices, Supply Rooms, indoor Rifle Range, Classrooms, Kitchen facilities, 8100 square feet of drill area and a modern 4 bay maintenance facility.

The cost of the new facility is approximately 2.5 million dollars of which 75% was contributed by Federal Government and 25% from State Funds.

The new Armory replaces a converted factory building located on Wall Street in Toledo, which had been used as an Armory since 1938.

Dear Mr. Buchanan,

Kimberly is still living at home, next year she will enter college, but as yet we do not know where.

We have another daughter, Carol Jennings Merwin, born May 2, 1969 in Keene, New Hampshire. She too lives at home.

My wife attended the Univ. of Conn. at Storrs, graduating in 1962 with a B.S. degree. She teaches 3rd grade in Wells Me. Previously she taught 3 1/2 yrs. in Milford, Conn., 3 yrs. in Keene, N.H., and has taught 11 years here.

I attended Keene State College, Keene, N.H., graduating in 1969, and have taught 5th grade here in Wells for the past 11 years. Last year I was appointed harbormaster here, and also lobster in the summer.

Both Julie and I have earned our M.Ed. from the Univ. of Maine, Portland-Gorham (1978). Perhaps it should also be noted that our oldest daughter Kim was an exchange student in Sweden for one year (79-80).

Thank you for your inquiry, if we can be of any further service please feel free to ask.

Best regards,
Harry.

Dear Cousin:

I have twice written to your sister Frances requesting information needed to include her family in the Supplement to MFNA. The address I used was 108 Meadowlark Dr., Royal Palm Beach, FL 33411.

Could you please give me her telephone number and, if you are talking to her, encourage her to reply to my letter? I do want to include her family in the Supplement, but can't unless she gives me the information. We are getting close to the deadline for completion of the manuscript.

Your help will be appreciated.

Sincerely,
Merwyn

Dear Marcia:

Yesterday I talked to your father in a effort to complete his entry for the Supplement. He suggested I ask you for information about your mother.

Enclosed is the draft of his entry. As you can see, what I need is:

1) date of marriage
2) place (city + state) of marriage
3) your mother's full name
4) " " father's full name
5) " " mother's full maiden name
6) you were born in Fargo, ND. Where was Frances born?

Your help will be much appreciated. Oh yes. He said your mother died in an auto accident. Please give me the date and place.

See if you can get Frances to answer my letter?

Best regards,

Merwyn

One of the Beach's busy ladies right now is Mrs. Theo (Alma Merwin) Hill of Hibiscus Drive. She's third-time president of Ascension Church Women's Guild and is taking just pride in having an attendance of 185 men and women at the international ecumenical World Day of Prayer at Ascension Catholic Church on March 2.

Alma's also had a houseful of guests, a special one Peter Adams, 16-year old son of her daughter, Mrs. ~~Peter~~ Wm (Carol Hill) Adams of Scarsdale, N.Y. With a brand new driver's license, he enjoyed school holidays driving about the area in his grandmother's car. He's a sophomore at SHS, named its football team's most valuable player, and already has his goal on attending U. of Florida in Gainesville, making its football team his chosen sport.

Alma's other guests have been Mr. and Mrs. Norman Fraser, also of Scarsdale, who are the mother and father-in-law of Alma's son, Peter Hill. Peter and his wife, the former Caryn Fraser, are the proud parents of four young boys, Scott, Kevin, Jeffrey and baby Timothy Hill, born last September (and Alma hasn't met him yet!)

Speaking genealogically, Alma Hill's paternal family goes back in this country to one Miles Merwin of Wales who came to settle in Nantasket, Massachusetts, in 1630, on the Good Ship Mary and John on which fellow-travelers were named Phelps, another of Alma's family lineage!

Incidentally, she's eager to learn how Merwin's Key, off Pine Island, came to be so-named and if any OBSERVER reader has information, Mrs. Hill would be most appreciative of information by a call to 463-6302 or a note to her: Mrs. Theo Hill, 137 Hibiscus Drive, Fort Myers Beach, zip 33931.

GENEOLOGICAL---MERWIN.

Generation I.—Miles Merwin, who came from Wales, or the north of England, at an early age; was one of the founders of Milford, Conn., in 1639. He was a prominent man there, and died April 23, 1697, aged 74. His tombstone still stands—the oldest in Milford.

Gen. II.—Samuel Merwin married Sarah Wooden of Milford.

Gen. III.—Daniel Merwin m. Sarah Botsford of Milford.

Gen. IV.—Lieut. Miles Merwin m. Mary —— of Durham, Conn.

Gen. V.—David Merwin m. Anner Bidwell of Durham.

Gen. VI.—Nancy Merwin m. David Cowles of Durham, N. Y. Nancy Cowles m. Major Hervey Orville Chittenden of Albany, N. Y.

Gen. VII.—Edwin Sedgwick Chittenden, b. Jan. 1, 1843, and Niles Searles Chittenden, b. Sept. 8, 1848, in Rensselaerville, N. Y.

Lieut. Miles Merwin (4), b. March 29, 1720 1, died in Durham, Conn., Dec. 12, 1786. He was "established" by the Colonial Assembly of Connecticut in October, 1757, cornet of the Troop of Horse of the Tenth Regiment of Militia, afterwards Connecticut State Troops.

In May or June, 1764, he was likewise "established" a lieutenant in the same troop. This regiment continued its organization during the war, and was frequently in service. It was at the Danbury fight, reinforced Washington on the Hudson, etc.

One of Lieut. Merwin's descendants, H. G. Newton, Esq., of New Haven, Conn., now has the sword which his ancestor carried during the Revolution.

The above information was obtained through the courtesy of E. S Chittenden, Esq., St. Paul, Minn.

The name Merwin has passed through several changes—Merwine, Meroine, Marvine, Marvin, and perhaps others.

We turn the search light on them at night, and light up so that we can see what they are doing. We turn it about once an hour for five minutes or so. We went yesterday to a meeting of the army and navy club, and had a good time. We expect Admiral Dewey to be president of the club, and two vice-presidents, one for the regular and one for the volunteer army. I am getting quite a good deal of practice out here, and think it will be benefitting. We had a target practice yesterday with all of our guns. I saw some fine shooting." He then speaks of a second visit to the city to do some shopping and having a ride with a livery team with a Spanish driver, which was quite amusing.

Dear Cousin:

I am enclosing my check #955 in the amount of $20,00 in payment of the annual dues for me (#4147), Carol Adams (#5171), Nancy Marsden (#5172), and Peter Lyman Hill (#5173).

A new grandson was born last September 12th - son Peter and wife Caryn welcomed their fourth son. I knew that if the baby was a boy it would be named Timothy, but when they told me he was "Timothy Phelps Hill" it struck a chord and I got out the geneology records and found two Timothy Phelps' in my mothers line (1742 and 1775). Peter and Caryn were surprised too. They simply had used a family name as they did with their first three: Scott Merwin, Kevin Fraser, and Jeffrey William!

mma
73

I just had to put it all together, so, enclosed is a chart I have made which I think you will find interesting. You will note that both the Phelps" and Merwins arrived on the same ship! My tiny mother would always stand up to Aunt Alma Merwin (Jennings) and say "Well, I believe the Phelps' got off the boat first"!

In this chart I have only listed the direct line, and have not included any of the other children of the families. You will see that William Phelps was an adult and Miles only a child which makes the generation gap.

Another interesting fact is the Herbert Erwin Phelps, (my mothers father) and Volney Edwin Merwin (my fathers father) have no more male descendants!

I am enclosing a newspaper clipping I came across during my search, but I have no idea where it came from.

One last thing -- I have discovered that there is a smell island just off thershore here in Pine Island Sound near Sanibel which is named "Merwin Key" and I am endeavoring to find out how and when it was so named and for whom. When I do get any information I will pass it on to you.

Sorry I will not be able to be with you for the reunion again this year - it sounds wonderful and I know it will be a great success. Best wishes.

Sincerely,

Alma

Dear Cousin:

I re-reading our correspondence, I have concluded that you misunderstand what I mean by a biography. Will you please answer these questions about yourself:

1- where did you attend high school?
2- what year did you graduate?
3- if you ~~at~~ went to college - what was the name of it?
4- what years did you attend
5- when (year) did you graduate. What degree did you earn?
6- do you work? If so, what do you do?
7- who is your employer?

Many thanks.

Best regards,
Merwyn

Dear Cousin:

Your mother gave me data to finish your entry for the Supplement to The Merwin Family in North America. I need only a brief biography of you and Bill to complete it. (See enclosure).

However, I was sorry to learn from the Treasurer that he was forced to drop your name from our membership role because of non-payment of dues. That means I can not show you and your family in the Supplement. I can only show your name & date of birth even though full details of Peter's & Nancy's families will be given.

If you catch up on your dues so you'll be reinstated, please send me your bio. If you do not wish to be reinstated, please tell me so I may finish your family entry.

Sincerely,

Merwyn

Dear Cousins:

I was dismayed to learn from the treasurer the other day that he is dropping you from the membership rolls because no dues have been received for several years.

Unfortunately, that means I must show only your name, Peter, and date of birth in the Supplement. I can not include your family or biography.

May I suggest you send me a check payable to Miles Merwin Assn. for $10.00. I get you reinstated and be able to include your full family in the Supplement.

Sincerely,

Dear Mr. Buchanan:

My apologies for not answering your letters sooner.

✓ First, in reply to your letter of December 3rd asking me to locate Alma May Merwin -----Here I am!! The problem can be laid to a misprint of my geneological number on page 679. There it is listed as 4047 and it should be 4147 and on page 869 follows my family information.

✓ Now, in reply to your letter of last July 27th I am enclosing the forms you sent for further information on my children -- Carol Adams and Peter Lyman Hill. Daughter Nancy Marsden tells me she has already sent you the information you need in regard to her family (P.S.- Nancy was selected to be listed in Outstanding Young Women of America, 1979 edition).

✓ As for information on Elbert Edwin Merwin #4148 there is no information other than that on page 679.

✓ My cousin Olive Gertrude Sedgwick (#4140 on page 678) is married to Sumner Shumway and they live at 100 Fair Street, Cooperstown, N. Y. 13326. They have two children and several grandchildren. She can give you much information on her brothers and sisters. Olive has me about the availability of this geneology. If you can give her some information I know she will appreciate it.

Again, please excuse me for taking so long to answer your letters, but this has been a long year for me, getting things in order.

I hope I have been of some help to you.

Sincerely,

Alma

Dear Cousin:

Seems as though our little branch of the Miles Merwin Association is making quite a few changes this year and I thought I would try to list them all for you in one letter!!!

1. Alma Merwin Hill and husband Theophile are moving as of October 1st from 168 Bradley Road, Scarsdale, N. Y. to 137 Hibiscus Drive, Ft. Myers Beach, Fla. 33931.

2. Daughter Carol Hill Adams and husband William Adams and sons William Theophile (b. 1/27/65) and
Peter Thomas (b. 11/22/67)
xxx have moved from 166 Bradley Road to 168 Bradley Road Scarsdale, N. Y. 10583

3. Daughter Nancy Hill Marsden and husband William Stanton Marsden III and their children
Deana Jean (b. 9/5/67)
Michael Stanton (b. 10/15/69)
Stefanie Lynn (b. 4/1/72)
have moved from 1301 Swordfish St. Foster City, California to Crestview Drive, Bemus Point, N.Y. 14712.

4. Son Peter Lyman Hill and wife Caryn Fraser Hill and son
Scott Merwin Hill (b. 12/23/75)
are moving as of October 1st from 290 Collins Avenue, Mt. Vernon, N. Y. to 179 Bradley Road, Scarsdale, N. Y. 10583.

I think Stefanie Marsden and Scott Merwin Hill are two new listings for the genealogy records. And **four** address changes!!!

Gains

During the process of cleaning out closets, desks and the attic in preparation of the move to Florida I came across the enclosed three articles. The clipping from the Bridgeport Post is self-explanatory, but in the Courant Almanac I discovered an advertisement of S. E. Merwin & Son, curers of "ELM CITY" brand hams! And, in the Connecticut Magazine an article on Milford. On page 574 a reference to Wm. M.Merwin & Sons, oyster merchants and on page 575 a reference to Miles Merwin's house. I think these should be in the hands of someone active in the Association.

Sent to Charles

From the Milestones I gather you had a most successful reunion. Sorry we could not have been with you, but as you can see we have been very busy! Perhaps next year.

Sincerely,

Alma Merwin Hill

Dear Cousin:

I am sorry I was unable to attend the annual reunion of the Miles Merwin Association last month, but I was pleased to receive the news of the proposed supplement of The Merwin Famkly in North America.

I am enclosing pledge sheet for support of this publication and my check for $34.00 for the first pyment on my $100.00 pledge. Also a check for $2.00 for annual dues which I think are due at this time.

It is with sadness that I inform you of the death of my husband on February 13th. We were sure the lung surgery 2 years ago was completely successful, but that insidious disease surfaced again last December, and proved to be inoperable and chemotherapy was unseccessful.

However, it is with joy that I inform you of the birth of a new grandson, Jeffrey William born May 30th to son Peter Lyman and Caryn Fraser Hill

Perhaps next year I will be in New York and will be able to attend the reunion.

Sincerely,
Alma Merwin Hill
(Mrs. Theophile Hill)

Dear Mrs. Spezeale:

In The Merwin Family in North America, your name and address is shown and you are mentioned as the second wife of Elbert Edwin Merwin.

He had a son named Elbert Edwin Merwin, Jr. who was born Nov. 17, 1903 and died Dec. 21, 1964. He is reported to have had a daughter in Union, N.J. Do you know her name and address? I would appreciate any help you may give me. Mrs. Alma Merwin Hill could give me no assistance..

Sincerely,
Merwyn

Dear Mr. Merwin:

According to The Merwin Family in North America, you have a cousin, Arlette Merwin, who married one Richard Reed and her sister, Justine Grace Merwin, who married James Simmons. Could you help me locate them or their children?

I'm enclosing a copy of my letter dated Oct. 22, 1981. May I have a reply?

Best regards,

Merwyn
